COMMUNITY ENGAGEMENT

the art of creating partnerships through the exchange of information, expertise, financial support, and volunteer time that will empower and strengthen both the internal and external community.

Thank you to all the donors who gave generously to the Galloway Ridge Charities in 2015, your donations totaled $262,595 for the Charitable Fund, Resident Reserve, Ad Hoc, Library, Opera, Employee Scholarship and Gala.

And thanks to the hundreds of Galloway Ridge Volunteers whose extraordinary effort made our Community Engagement a huge success in 2015.

John Zaremba
Chair of Community Engagement
Vice President, Board of Directors
Galloway Ridge has been supporting Chatham County’s non-profit organizations since it opened in 2005. This support from our residents comes in many forms. The most obvious is through monetary gifts. In 2015, fifteen agencies shared $70,000 from the money raised for the Charitable Fund. In addition, the UNC Hospice Home and the Chatham County Habitat for Humanity each received a $100,000 pledged gift, payable over the next five years, for their major initiatives in Chatham County.

Besides their cash gifts, Galloway Ridge residents spent many hours volunteering their time and talents at the area’s many education, and human and social services agencies. During 2015, volunteer hours totaled 23,897. This is an amazing commitment in service to others.

**Our residents fully embrace what Muhammad Ali has said about service...**

“Service to others is the rent we pay for our room here on earth.”

Galloway Ridge is a good citizen of Chatham County. It takes its responsibility to be of benefit to the county seriously. By answering the many calls for help and support it receives, Galloway Ridge’s community engagement improves the quality of life for all county residents.

I am proud of what Galloway Ridge has done and continues to do for Chatham County. I see our residents enriching their own lives with meaning and purpose. I am awe struck by the philanthropic energy that resides here.

VOLUNTEERISM: THE PRINCIPLE OF DONATING TIME & ENERGY FOR THE BENEFIT OF OTHER PEOPLE IN THE COMMUNITY AS A SOCIAL RESPONSIBILITY RATHER THAN FOR ANY FINANCIAL REWARD.
THE GALLOWAY RIDGE CHARITABLE FUND SERVES AS THE PRINCIPLE CHARITABLE ARM OF GALLOWAY RIDGE, INC., A 501(C)(3) NON-PROFIT, LOCATED IN CHATHAM COUNTY, NORTH CAROLINA, IS ORGANIZED EXCLUSIVELY FOR CHARITABLE PURPOSES.

The Charitable Fund Committee solicits Chatham County charities to request grants for their purposes. The Committee visits many of these charities before determining which grants will be fulfilled.

Chatham County, North Carolina is where we live. Our Galloway Ridge residents recognize there are many needs to be met in this county. They respond to those needs by volunteering at and providing financial support to its not-for-profit agencies.

The Community Engagement Committee of the Board of Directors ensures its financial generosity is directed to the most critical needs and is impactful.

FROM 2007 TO 2016, THE CHARITABLE FUND AWARDED $501,000 IN GRANTS.
Galloway Ridge helped to establish the infrastructure for a new affordable housing development in Pittsboro called Robert’s Run.

The Major Gifts committee of the Charitable Fund has made a leadership gift of $100,000 payable over five years to Chatham County Habitat for Humanity.

The funds will be used for developing the extension of water and sewer lines, road building, and site preparation.
THE UNC HOSPICE HOME

The major gifts committee of the Charitable Fund has made a leadership gift of $100,000 payable over five years to the UNC Hospice Home. This gift will ensure that patients and their families will have a beautiful, calm and homelike setting for the end of life.

In recognition of the gift, UNC Hospice has named the multi-purpose room the Galloway Ridge at Fearrington Gathering Room.

It is a large light-filled room where family members can gather, relax and reflect during their patient’s time at the hospice home.
