

Your generosity can truly
make a difference by:

 Changing the lives of
employees through learning

 Preparing them for
the rest of their lives

*“ Scholarships that are awarded
to me will not only benefit me but
they will also benefit the people that
I am able to help in the future.”*

*“ The scholarship makes a difference
because I know that Galloway has faith
in me to use it wisely in my education
and it is a pleasure to use the money
for college so I can become
something better.”*

*“ I have no doubt that
with some help I will be able
to accomplish my goals.”*

About the Employee Scholarship Fund...

The Employee Scholarship Program makes educational opportunities a reality for Galloway Ridge's employees. Scholarships are awarded for two- or four-year degrees, certifications, continuing education, and graduate degrees. Funds awarded may be used for tuition, fees, and/or books.

Eligibility Criteria

Scholarship recipients are selected based on objective standards that are unrelated to the applicant's employment at Galloway Ridge. Eligibility criteria include a minimum of 480 work hours and twelve consecutive months of employment prior to the application deadline. A scholarship applicant must have a high school diploma or equivalent or be planning to graduate from high school in the year of application.

Program Funding

The scholarship program is supported by residents' donations and the fund is managed by Triangle Community Foundation. By contributing, residents can have a part in changing the lives of students by helping them to achieve their goals!

Your support is needed annually to strengthen the fund and help it grow. With your contribution, you can make a difference in someone's life! Please consider making a generous donation. This brochure includes a donation card for your convenience. Thank you for your support!
