Dear Fellow Residents,

Here are the 2021 Galloway Ridge Scholarship recipients.

Because of your generosity, \$60,000 in scholarships were awarded to 13 recipients. This is the largest amount we have ever been able to provide.

Triangle Community Foundation manages the Galloway Ridge Scholarship Fund, which ensures objective awarding of scholarships and safeguarding of our funds. This year's 13 scholarship recipients were selected by impartial standards that include being employed at Galloway Ridge for at least one year and working here for at least 480 hours.

As you look through this brochure, you'll discover how profoundly scholarships help our employees achieve their educational and career goals. If you read the recipients' words, you will see that the scholarships we provide truly change lives. Without the scholarships we fund, many of Galloway Ridge's employees would not be able to progress beyond high school. Please look for the scholarship winners and congratulate them. And please consider giving to the Employee Scholarship Fund so we can do even more to support our employees' dreams in 2022.

With Gratitude for Your Generosity and Support,

*The Employee Scholarship Committee*
